25 TA LIFE

"Early Dayz" CD

DESCRIPTION

25 Ta Life's *Early Dayz* compiles material on the band's early out-of-print releases with unreleased demo versions and previously not available live tracks.

Of the 24 tracks on the CD, tracks 5 and 16 have never appeared anywhere else. Tracks 1-4 come from the band's first 1993 demo, which was never released on CD. Tracks 6-9 are from the band's long out-of-print *Striving For Togetherness 7"*. Tracks 10-13, 16, and 23-24 are live tracks from several of the band's classic early shows, and 17-22 come from the now out of print *Keepin It Real* EP. Tracks 14 and 15 were originally released as the soundtrack for a NYHC documentary called *New York's Hardest, Part 1*, which is now out of print.

Previously only sold on tour as a DIY CD package, this release is now being made available for regular retail for the very first time.
