My Gold Mask are two people who like to make music together. **Gretta Rochelle** sings and plays drums. **Jack Armondo** plays a nylon string electric guitar.

"...a delicate balance between 90's alternative rock gestures and futuristic gypsy tribe shit. But the real magic happens with the versatility of Gretta Rochelle's vocals – mostly soaring but she's not afraid to trash it up and sound total gutter." –**Big Stereo 3/29/09**

"Art-nouveau pop-rock flows out of this talented duo with an eerie sense of ease." –**Sheena Beaton**

"Gretta groans while Jack owns...vocals and guitar, respectively. This duo from Chicago wowed us with the hauntingly eerie opening chords of this song, and kept our interest at a pulse-racing peak over the course of this beat-heavy thriller." –**sheenabeaston.com**

"My Gold Mask...are going to be the hot new thing."
