DESCRIPTION

From the ashes of the Gorgeous and A Javelin Reign, New Romance for Kids presents road warriors **Barn Burner**. With the volume, technicality and intensity that embodies heavy metal and the overarching catchiness and longevity of classic rock, Barn Burner captures a signature sound that cannot be easily placed or categorized.

With the recent completion of their full-length record 'Banger,' Barn Burner teamed up with producer/engineer Adrian Popovich (**Tricky, Woo, Sam Roberts, The Dears, and Sebastian Grainger**) to create a truly original rock record. Having finished their first Canadian tour with Priestess and **Bison B.C.**, Barn Burner hopes to establish themselves as one of the most crushing, up and coming heavy bands.

Cultivating the principles of partying and musical ingenuity, Barn Burner creates a live atmosphere that renders an audience incapable of standing still (whether it be dancing or giving your best friends a well deserved swill of beer.) Barn Burner clarifies the ever importance of a powerful live show and the willingness and desire to tour relentlessly until one of the them either loses a limb or straight up dies. Tell your parents that you're sleeping over at your buddy's house, because tonight's gonna be a hell of a Barn Burner.
