"YOSHITOSHI MIAMI" CD

DESCRIPTION

Yoshitoshi Recordings is proud to present "YOSHITOSHI MIAMI" mixed by Cedric Gervais. This fresh new Yoshi compilation is loaded with new material highlighted by two new Cedric remixes. The Yoshitoshi classic **Alcatraz** "Giv Me Luv," and Shinichi classic **Holmes Ives featuring Avalon Frost** "8 Letters" are already massive tunes. They are being supported by the likes of world famous DJs **Erick Morillo**, **Sander Kleinberg**, **Max Graham**, and **Deep Dish**, and have been featured on Pete Tong's Radio One shows *In New Music We Trust* and *The Essential Selection*. "Yoshitoshi Miami" also presents previously unreleased tracks; **Dariush & DJ Da featuring Tina** "Good Vibration," and **DJ Remy & Roland Klinkenberg** "The Detroit Track," as well as the **DJ Pedro** Remix of **Eddie Amador's** "House Music," and **Maurizio Ruggiero's** remix of **Cuba Computers** "Haunting Me."

ARTIST BIO

Cedric's first gig was a 3,000-person rave in the South of France at 15 years old. A residency at **Queen**, in Paris followed shortly thereafter and eventually he landed in Miami at the world-renowned **Crobar** where he became the hottest DJ in South Beach. Cedric's reign over the stylish and beautiful crowds on Washington Avenue lasted four years and spread down the road to **Nikki Beach** where his **Indio Locco** party put the recently opened outdoor/indoor club squarely on the map. In 2004 he moved downtown to his current home, the world famous **Space** in Miami. During his residency at Space he has played alongside the most famous DJs in the world on the main floor every Saturday night including **Deep Dish**, **Roger Sanchez**, and **Sander Kleinberg**. During his Sunday morning at Space, he heads to the Terrace at 5 AM for his own special sets that last well into the afternoon.

On the remix production side, Cedric has worked with many of the top electronic talents, from **Peter Rauhofer** to **Dirty Vegas** to **Second Sun** as well as some giants in the world of Rock. Along with occasional production partner, Dallas Austin, Cedric created distinct sounds for **Duran Duran's** "Want You More" while remixing the track for the classic New Wavers. Even **Lenny Kravitz** clocked his skills and commissioned Cedric to remix two of his songs, "Believe In Me" and "Stillness of the Heart" after hearing him play in Miami. Cedric has also remixed **The Shapeshifters**, **Sander Kleinberg**, **Seamus Haji**, **John Creamer** and **Sharam's 'P.A.T.'**, and been a regular feature on **Pete Tong's** Radio 1 show.

His original productions have been just as noteworthy; his first release "Burning" on Ultra Records made a huge mark and led the top label to request a two-album deal. The first single, "Spirit In My Life" released in April, off his highly acclaimed debut artist album, "Experiment," has been a staple in the sets of **Erick Morillo**, **Seb Fontaine**, **Deep Dish** and many other major DJs.

In addition to his artist album, Cedric had a hand in one of the biggest tracks of the 2006 WMC – his collaborative remix of **Queen's** "Another One Bites The Dust," which he did with **Second Sun**. Without a doubt Cedric Gervais has already achieved more than most top DJs could even hope for, but this is just the beginning. He is sure to make even more noise with his music to come.
